**Dear Mr. Gowda:**

I have given ERM-NC a copy of the Byron ROD. In that document are the site specific ARAR's that IEPA required up to that time. I am still unable to obtain comments from our RCRA unit as of this time, on this issue. I am however going to resubmit the Draft ARAR's document to RCRA and once again ask for comments. I hope to submit their comments with my revisions to the Draft RI.

If you have any questions please contact me at 217 782-6762.
